

HAND CARE *Solutions*

SOAP FACTORY[®] PRO

FOR HEALTHIER WORK ENVIRONMENTS

- Leak-proof design, eliminates mess, and costly product waste.
- ADA compliant, requiring one hand, and less than 5 lbs. of pressure to dispense product.
- Made of durable ABS plastic, providing unlimited usage with no signs of wear.

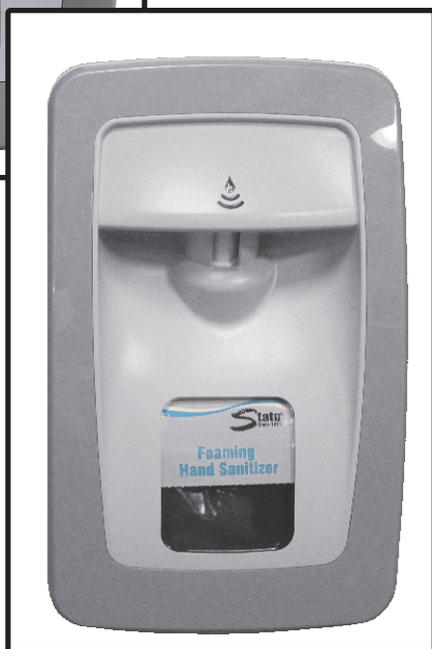

CARE FOR WORK ENVIRONMENTS[®]

SOAP FACTORY® PRO

Manual

**Hands-Free
(Sensor)**

Attractive Design

Neutral color, sleek lines, and a textured, non-glaring surface make this unit an attractive choice for any area of your facility. Made of durable ABS plastic, the Soap Factory® Pro will provide unlimited usage with no signs of wear.

Ergonomic and ADA-Compliant

A large, easy-to-use push pad lets users view the amount of product being dispensed, reducing over-usage and waste. Soap Factory Pro is ADA compliant, requiring one hand and less than 5 lbs. of pressure to dispense product.

Easy Product Identification

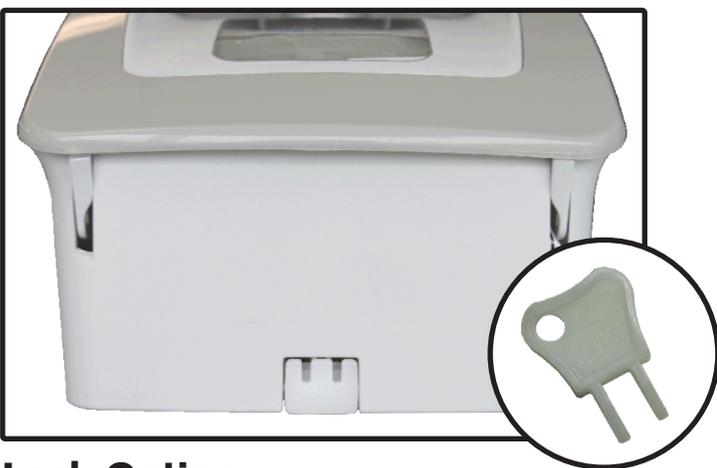

Each Soap Factory Pro dispenser includes a full set of identification cards. The cards are easy to install and clearly identify the hand cleaner in the unit.

Flexible

Choose from our liquid soaps, body wash, direct foam soaps and hand sanitizers. The Soap Factory Pro Hands-Free dispenses foaming formulas just by placing hands under the dispenser.

Leak-Proof Design

Soap Factory Pro places the dispensing pump at the top of the unit instead of the bottom, eliminating the risk of valve leakage and costly product waste.

Lock Option

Soap Factory Pro dispensers feature a locking option for added security in your facility. They are easily converted from the non-locking mode to the keyed-locking mode as required.

Unique Pump System

The Soap Factory Pro provides the flexibility of choosing between foam or lotion, just by choosing the hand cleaner or sanitizer that you want. The pump is changed with each refill, providing the most reliable, sanitary, and easy refill system available today.

HAND CLEANERS AND SANITIZERS

Shower N Go™

Hair and Body Shampoo

Enriched with skin and hair conditioners, it is gentle enough to use every day. Fresh, herbal fragrance.

Hands On®

Lotionized Skin Cleaner

Contains lanolin and aloe that conditions and moisturizes the skin, while effectively cleaning away dirt.

Hands On® Defense

Antibacterial Skin Cleaner

This formula reduces bacteria on the skin with Benzalkonium Chloride, a broad-spectrum antibacterial agent.

Ecolution® Foaming Institutional Hand Cleaner

Green Seal™ Foaming Hand Cleaner

Our environmentally-preferred hand cleaner is Green Seal certified. The fragrance and dye-free formula transforms directly into foam from the dispenser.

Our Ecolution® hand cleaner meets Green Seal's environmental standard for institutional hand cleaners, based on its effective performance and protective limits on VOC's and human and environmental toxicity. It meets the stringent GS-41A standards required for Green Seal certification.

Gentle Fresh™

Foaming Hand Soap

The mild detergents, emollients, and skin conditioners in Gentle Fresh leave hands clean, soft, and smelling fresh. Available in a refreshing or mango scent.

Gentle Fresh™ Defense

Foaming Antibacterial Hand Soap

Gentle Fresh Defense with Benzalkonium Chloride kills a wide variety of bacteria for defense against germs. Mild floral scent. Contains aloe and Vitamin E.

Gentle Fresh™ Hand Sanitizer

Foaming Sanitizer

Our foaming, instant hand sanitizer kills 99.9% of bacteria on the skin with its quaternary formula. Contains aloe, Vitamin E, and a light fragrance.

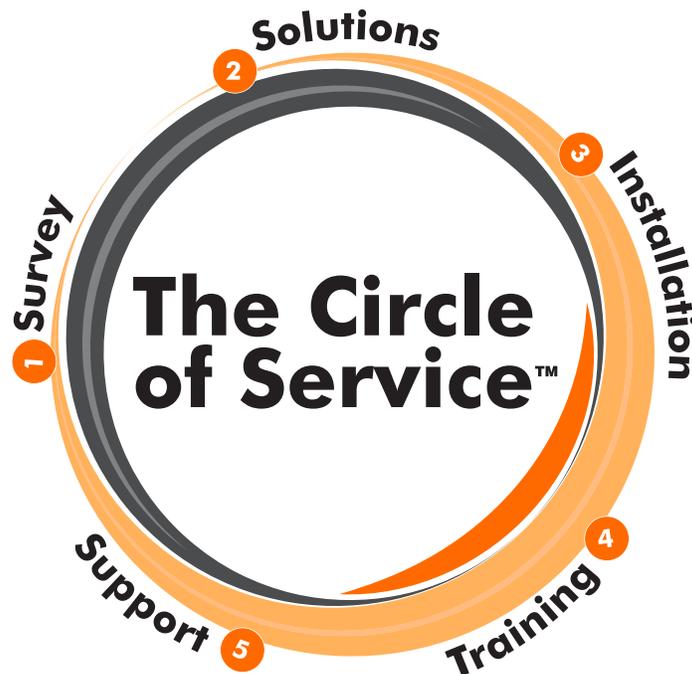

Gentle Fresh™ Foaming Alcohol Hand Sanitizer

Foaming Alcohol Hand Sanitizer

Helps reduce bacteria on the skin that could cause disease. This sanitizer requires no water and is recommended for repeat use. Contains 62% ethanol.
