

DISINFECTANT *Solutions*

Quick DEFENSE™ Ready-to-Use

- Four-in-one action: sanitizer, disinfectant, cleaner and deodorizer
- Kills 99.99% of germs in 60 seconds
- For use on a wide range of hard surfaces and fabrics
- Convenient, ready-to-use continuous spray

CARE FOR WORK ENVIRONMENTS®

Quick DEFENSE™ Ready-to-Use

FAST-ACTING SOLUTION

Quick Defense™ Ready to Use is a sanitizer and disinfectant used to clean and remove light soils on washable, non-porous surfaces. Its quaternary formula is also effective as a light-duty cleaner. Quick Defense RTU uses a non-aerosol, continuous spray can which sprays 100% pure product without shaking. Quick Defense RTU is sustainable and environmentally preferred.

MARKETS

Quick Defense RTU is a sanitizer and disinfectant that will benefit any market segment. Some common markets include hospitals, medical offices, nursing homes, daycare centers, nurseries, restaurants and bars, cafeterias, public restrooms, schools, athletic facilities, transportation terminals, hotels/motels, factories, office buildings, ships, cars, buses, ambulances, maintenance shops and more.

KILL CLAIMS

Quick Defense RTU is effective against a variety of viruses and bacteria including:

- Human coronavirus
- Streptococcus pyogenes
- MRSA
- Listeria monocytogenes
- Herpes Simplex Type 2
- Influenza A H3N2
- E.Coli
- Staphylococcus aureus
- VREF
- Athlete's foot fungus
- HIV-1 (AIDS Virus)
- Many more

On EPA List N for use against SARS-CoV-2, the cause of COVID-19. Quick Defense RTU (EPA Registration #66243-1-70799) has demonstrated effectiveness against viruses similar to SARS-CoV-2 on hard, non-porous surfaces. Therefore, Quick Defense RTU can be used against SARS-CoV-2 when used in accordance with the directions for use against human coronavirus on hard, non-porous surfaces. Please refer to the CDC at <https://www.cdc.gov/> for more information.

COMMON APPLICATIONS

Quick Defense Ready to Use eliminates odors on porous and non-porous surfaces such as:

- Upholstery and fabric
- Bedding
- Air conditioning filters
- Carpets
- Mattresses

DIRECTIONS FOR USE

See product label for all instructions:

Air Freshener: Apply a light spray into the air or onto A/C filters.

Fabric Refresher: Apply a light spray onto fabric surfaces. This will not harm most washable surfaces, test a small area of the surface first.

Sanitizer: Quick Defense RTU kills 99.99% of listed germs in 60 seconds. Clean surface, then spray thoroughly on the surface. Let stand for 60 seconds before wiping.

Disinfection: Follow same procedures as sanitizing, but allow product to remain visibly wet on surface for 10 minutes.

General Cleaning: Remove heavy soils before using. Spray surface thoroughly and wipe clean. Used as a light-duty cleaner.

Mold and Mildew Control: Wash visible soil from the surface. Spray all surfaces thoroughly. Let air dry. Repeat application every 7 days to control reoccurrence of growth.

TECHNICAL DATA:

REGISTRATIONS: 66243-1-70799

APPEARANCE: clear, light aerosol spray

FRAGRANCE: Linen Fresh

DISINFECTANT TYPE: quaternary ammonia

SHELF LIFE: at least one year

pH: 1.3
