

INDUSTRIAL CLEANERS

Solutions

- Citrus formula cuts through tough greases and soils
- Gel formula clings to surfaces for maximum contact time
- Citrus formula has no harsh fumes

CARE FOR WORK ENVIRONMENTS®

HEAVY-DUTY FORMULA

ORAN-GEL dissolves heavy buildup of grease, tar, asphalt, oil, residue and waxes on motor blocks, chassis and oil engines. Ideal for pre-soak before steam cleaning.

LONG STAYING POWER

ORAN-GEL's gel-like formula clings to surfaces, allowing longer contact time. The formula has a pleasant citrus smell and is water-rinsable for added extra convenience and safety.

CITRUS-BASED

ORAN-GEL is nature's own cleaning agent. Citrus oil gives this product its degreasing power. ORAN-GEL doesn't contain any petroleum distillates or chlorinated solvents and is completely biodegradable.

TECHNICAL DATA

APPEARANCE: aerosol spray gel

ODOR: citrus

AEROSOL FLAME EXTENSION: <60 cm

pH: 10-11

SPECIFIC GRAVITY: 0.95

SHELF STABILITY: two years
