## One Solution™ Wall Mount Foamer

When you have large cleaning and sanitation jobs, turn to the One Solution™ Wall Mount Foamer to efficiently, economically, and effectively get the job done!

### Features:

- Patented selector valve eliminates need for multiple ball valves, which lowers cost and simplifies operation.
- Specially designed eductors require less water to operate compared to other units, delivering better performance against the backpressure of long discharge hoses and spray guns.
- 4.5 GPM (18lpm) rinse function provides full flow rinse for quick, effective rinsing. Saves time and labor costs.
- Molded components are resistant to chemical attack and hard water deposits ensuring long life and reliability.
- Integrated hose rack eliminates need for separate, costly hose hanger.
- Easy to understand icons replace words to allow proper use by all workers regardless of language.
- System delivers effective performance with water up to 160°F (70°C).
- Dual function gun provides foam and rinse sprays, lowering cost while increasing flexibility.
- Ability to run multiple products through system including degreasers, disinfectants and sanitizers, bathroom cleaners, and more.

### One Solution™ Wall Mount Foamer Specifications

# of Products Dispensed	Eductor Flow Rate	Rinse Flow Rate	Dilution Range	
			Minimum	Maximum
2	2.5 gpm/10 lpm	4.5 gpm/18 lpm	10:1	512:1
