## THICKENED MILDEW STAIN REMOVER

- Dissolves mildew stains on contact
- Clinging action prolongs contact time for greater performance
- Multi-purpose formula can be used in a wide array of applications
- Simply spray on and let Mildew Muscle do the job

CARE FOR WORK ENVIRONMENTS®

## THICKENED MILDEW STAIN REMOVER

### DISSOLVES STAINS ON CONTACT

Mildew Muscle cuts through mildew stains on contact. Its powerful formula has incredible clinging qualities that makes it the best way to attack mildew stains. Prolonged contact time means Mildew Muscle not only cleans away mildew stains, it also removes soap scum and other soils.

### MULTI-PURPOSE CLEANER

Use Mildew Muscle to combat mold and mildew on tile, grout, on shower curtains, rubber mats, tubs, commodes, basement walls, in locker rooms and showers, and under roof eaves and sinks.

### EASY-TO-USE

Mildew Muscle is easily applied when used through State's Foaming Trigger Sprayer, reaching the smallest cracks and crevices to prevent future growth and stains. For heavily stained surfaces, use State's Tile 'N Grout brush.

### DIRECTIONS FOR USE

Read all precautions before using. Use with adequate ventilation. Wear rubber gloves if applied by another method other than a sprayer.

Shake well before using. Spray, brush or wipe Mildew Muscle onto mildew stained surface to be treated, applying from bottom to top.

Allow to stand for several minutes. For heavily stained areas light scrubbing may be necessary.

After surface is dry, rinse thoroughly with clear water. Repeat application if necessary.

Please visit [stateindustrial.com](http://stateindustrial.com) for SDS, product directions, precautions and first aid information.

NOTE: Test in an inconspicuous area before using. Do not use on clothing. Test all other fabrics for color fastness before using. May discolor. Avoid contact with metal surfaces.

### TECHNICAL DATA

APPEARANCE: white viscous liquid

ODOR: chlorine bleach

pH: 12.8 - 13.6

FLASHPOINT: >212°F (100°C)

FREEZING/MELTING POINT: 32°F (0°C)

DILUTION: Use at full strength
